Risk Assessor.

Denise Bernard

If the control measures described are not in operation and further action is required or there are further local significant hazards please record these here, transfer any actions required to the Action Plan at Part C below and sign off below. Do not sign off above if further actions are required. This has been amended due to Step 4 Government Restrictions easing effective from 19th July 2021

PART B2. HAZARD IDENTIFICATION AND CONTROL MEASURES:				
Further significant hazards	Who might be harmed?	Type of harm	New controls (Actions to be taken to control the risk effective from 19 th July 2021)	LEAD PERSON
A) Coronavirus on hard surfaces	Staff, visitors, all	Contract virus	<ol style="list-style-type: none"> 1) Erect revised notices based on published advice and guidance on Coronavirus re non entry if symptomatic 2) Strongly Encourage use of hand sanitizer and/or hand-wash facilities for anyone on entry into rear staff entrance and entry into reception and as they exit of the centre.. 3) Access to tissues which need to be flushed down toilet 4) Facemasks/faceshields are mandatory as of 10th Dec 21 and must worn in the centre. They are freely available for staff. This is in addition to providing staff with access to hand sanitizer/sanitizer wipes and access to hand washing, tissues etc. 5) New enhanced cleaning schedule to be continued 6) Ladies toilets – new vacant / occupied turn handle on outer door to be removed and signs indicating limits on people to be removed. All cubicles to be in use. 7) Changes to men’s toilets – remove sign on limits on nos. of people and allow all cubicles to be in use 8) PPE & Refuse disposal - All refuse including PPE (face masks, face shields, gloves, aprons etc). to be disposed of daily into outside refuse bin unless anyone in centre has reported symptoms – if they have then PPE/Refuse must be double bagged, date labelled and stored securely for 72 hours before being disposed of in outside bin. 	DB ALL ALL CC & JL JK/GW JK/GW ALL USE – GW/JK/ CC & SA RE DISPOSE

PART B2. HAZARD IDENTIFICATION AND CONTROL MEASURES:				
Further significant hazards	Who might be harmed?	Type of harm	New controls (Actions to be taken to control the risk prior to re-opening Centre)	LEAD PERSON
B) Coronavirus in air	Staff, visitors, all	Contract virus	<ol style="list-style-type: none"> 1) First aiders- additional PPE required – disposable aprons, gloves, face mask FFP2 or FFP3 grade and glasses/goggles – see First Aid for COVID-19 Pandemic document 2) Protection screen at reception desk to remain 3) Corridors – remove all social distancing signs 4) Follow guidance from PHE and NHS England 5) Waiting area – place 4 chairs at 1 metre apart and 1 chair in reception 6) Hall is limited to 40 people max and room 15 limited to 10 people max and ventilate rooms as much as possible 7) One-way system for public access is removed and access and egress can be obtained by using both public entrances 8) Remove all signage externally and internally on social distancing, erect new signage of optional face coverings and if symptomatic 9) Smoking/Vaping outside – Vaping remains barred within the centre. No smoking/vaping outside High Park Street entrance – No smoking/vaping near rear staff entrance – smoking /vaping must be 4 metres away from any entrance or exit of the centre and not in any natural walkway - suggested area far side of car park near palisade fencing to garden. 10) Face coverings by public entering the centre – from 10th December 2021 face coverings are mandatory. Signage and updates to be issued. Face coverings include face mask, bandana, scarf etc. If possible, a disposable face mask can be provided subject to resources. 11) NHS Track and Trace will continue but it is no longer mandatory, it is optional for visitors to provide a contact detail - Where we do obtain this data we will need to keep a temporary record of visitors to the centre who are let in to attend a service/activity etc, for 21 days. Were able to we will record name and contact numbers for our visitors. In any event for fire regs. we are required to take some names of visitors, time in and who to see at reception. Certain tenants record these details themselves. All tenants should keep their log of staff/vols in and out as this is not recorded at reception. 	<p>FIRST AIDERS</p> <p>JK/G ALL JK/GW</p> <p>DB, JK/GW</p> <p>DB & CC</p>

SUMMARY OF KEY CHANGES COMMUNICTATED TO TENANTS VIA EMAIL ON 15/7/21 and updated by email on 19/7/21

- a) no longer required to operate a one way system - therefore both public entrances will be open to enter or leave
- b) no legal requirement to wear a face covering however we will leave signs up letting people know that we strongly encourage it
- c) social distancing and capacity limits will no longer apply, we will cover up/remove relevant signs - However, we are limiting the numbers in the hall to 40 - currently it is 20 at 2 metres (excluding bubbles) so this will 40 at 1 metre. Room 15 we are limiting to 10 from 6.
- d) we will encourage use of hand sanitiser and washing hands but it will not be compulsory for entry but we will strongly encourage it
- e) the toilets will be all available and there will be no limit to numbers
- f) you will still be required to inform me if there is a suspected or confirmed positive case and i will need to follow the enhanced cleaning procedures etc etc.
- g) covid testing for your staff is encouraged but is down to each group
- h) NHS Test and trace details are no longer mandatory but is encouraged
- i) all enhanced cleaning procedures will remain in place
- j) we will still be ventilating and we encourage all offices to open vents/windows wherever possible
